

New treatment regulations:

We will call you prior to your appointment to check on your health. If you or any one in your household is experiencing any symptoms of COVID-19 we will postpone your appointment for 14 days. These symptoms are:

- A cough
- An increased temperature
- The lack of the senses of taste or smell

Please observe the following guidelines:

- Please arrive at your appointment time, as the door will be locked and please knock. If you arrive early you will have to wait outside before you will be allowed in. We are operating a one-in-one-out to avoid any crossover.
- Extra time has been allocated for your appointment to allow for thorough cleaning between every patient.
- Please come on your own unless it is not possible to do so, for instance if you need a carer or are under 16.
- When you enter and leave the practice we will ask you to use the hand sanitizer. We ask you to not wear gloves.
- You MUST wear a mask at all times unless medically exempt from wearing one.
- The podiatrist will be wearing PPE, consisting of a mask, visor, apron and gloves.
- Contactless card payments are our preferred method of payment.
- At this time the toilet facilities only if a must.
- We are making forward bookings.
